Title II Section 251 Expenditures.

In accordance with Title II Section 251 of HAVA the Stet of Georgia has expended the following Title II funds in compliance with Title II and Title III and in accordance with the State HAVA Plan submitted to the Election Assistance Commission and published in the Federal Register in July 2003.

A. Voting System Purchase. Sec 251(b)(1) and Sec 301(a).

The State acquired computer servers, memory card duplication equipment, and electronic poll books for the improvement of election administration related to the DRE voting units and the voter registration system; the State also extended the warranty on the DRE voting units used throughout the state to ensure that the DRE voting units receive the proper maintenance in preparation for the November 2006 General Election.

The amount of Title II funds expended for voting system replacement totaled \$3,623,477.54.

B. Title II Section 251 Matching Funds Expenditures.

Pursuant to Title II Section 253(b)(5) of HAVA the State of Georgia has expended the following funds towards the 5% match as required by the above referenced HAVA section and in accordance with the State HAVA Plan.

State matching fund expenditures for implementing Title II and Title II requirements totaled \$2,865,571.00. These funds were expended in the following budget categories:

(1) Statewide Uniform Electronic Voting Expenditures.

The State of Georgia continued its voter education and outreach programs designed to ensure the voters' familiarity and comfort level with use of the voting system. The state continued its efforts in education and voting system training for county election officials. The State continued its support to the Center for Election Systems at Kennesaw State University regarding procedural and security enhancements to safe guard the conduct of elections in the State of Georgia. The State continued its support of the ballot building program offered by the Center for Election Systems and continued providing instructional materials and election related supplies to all 159 counties.

(2) Statewide Centralized Voter Registration System.

The State continued is maintenance and support of the statewide-centralized voter registration database. These efforts include mainframe connectivity to the counties, increased security monitoring, maintenance charges, system upgrades, and system support provided by the Georgia Technology Authority.
